

This architectural floor plan depicts a large, complex building layout. The plan is divided into numerous rooms, each labeled with a number and a corresponding area value. A specific room, located in the lower right quadrant of the plan, is highlighted with a red outline. This room is labeled with the number 271 and an area of 14.8. The building's layout includes various corridors, stairwells, and service areas. The overall design is symmetrical, with a central corridor system connecting the various rooms. The red-outlined room is situated near a central corridor and is adjacent to other rooms labeled 270, 272, and 273. The plan also shows a large outdoor area at the bottom, possibly a courtyard or parking lot, and a small structure labeled 274. The entire drawing is rendered in black lines on a white background, with the red outline providing a clear visual emphasis on the selected room.
